

Department of Veterans Affairs

§3.211

(1) An acknowledgment in writing signed by him; or

(2) Evidence that he has been identified as the child's father by a judicial decree ordering him to contribute to the child's support or for other purposes; or

(3) Any other secondary evidence which reasonably supports a finding of relationship, as determined by an official authorized to approve such findings, such as:

(i) A copy of the public record of birth or church record of baptism, showing that the veteran was the informant and was named as parent of the child; or

(ii) Statements of persons who know that the veteran accepted the child as his; or

(iii) Information obtained from service department or public records, such as school or welfare agencies, which shows that with his knowledge the veteran was named as the father of the child.

(c) *Adopted child.* Except as provided in paragraph (c)(1) of this section evidence of relationship will include a copy of the decree of adoption or a copy of the adoptive placement agreement and such other evidence as may be necessary.

(1) In jurisdictions where petition must be made to the court for release of adoption documents or information, or where release of such documents or information is prohibited, the following may be accepted to establish the fact of adoption:

(i) As to a child adopted into the veteran's family, a copy of the child's revised birth certificate.

(ii) As to a child adopted out of the veteran's family, a statement over the signature of the judge or the clerk of the court setting forth the child's former name and the date of adoption, or a certified statement by the veteran, the veteran's surviving spouse, apportionee, or their fiduciaries setting forth the child's former name, date of birth, and the date and fact of adoption together with evidence indicating that the child's original public record of birth has been removed from such records. Where application is made for an apportionment under §3.458(d) on behalf of a child adopted out of the vet-

eran's family, the evidence must be sufficient to establish the veteran as the natural parent of the child.

(2) As to a child adopted by the veteran's surviving spouse after the veteran's death, the statement of the adoptive parent or custodian of the child will be accepted in absence of information to the contrary, to show that the child was a member of the veteran's household at the date of the veteran's death and that recurring contributions were not being received for the child's maintenance sufficient to provide for the major portion of the child's support, from any person other than the veteran or surviving spouse or from any public or private welfare organization which furnished services or assistance to children. (Pub. L. 86-195)

(d) *Stepchild.* Evidence of relationship of a stepchild will consist of proof of birth as outlined in §3.209, evidence of the marriage of the veteran to the natural parent of the child, and evidence that the child is a member of the veteran's household or was a member of the veteran's household at the date of the veteran's death.
